

## Online training

Important: There's currently an issue with updating profiles on the [Acas elearning site](#). We're working to fix the problem. Sorry for any inconvenience this causes.

Our free elearning modules are for employers and employees. They cover a wide range of employment topics including:

- contracts, hours and pay
- dealing with workplace problems
- equality, diversity and inclusion
- leave and time off
- managing people and performance
- mental health
- redundancy

The modules are self-paced, and a mix of theory and case studies. You can assess your learning through interactive questions and tests.

## Sign up for Acas elearning

To find full details of each module and to start the training, [sign in or create your free elearning account](#).

If you already had an elearning account but have not used it within the last 3 years, it will be deleted and you'll need to create a new one.
