

Procurement at Acas

If you're interested in supplying Acas with goods or services, you can apply to become a Crown Commercial Service (CCS) supplier.

[Find out how to become a CCS supplier.](#)

We may also post tender opportunities through:

- [Contracts Finder](#) – for contracts worth over £10,000
- [Find a Tender \(FTS\)](#) – for high value contracts (usually above £118,000)

We do not hold a list of approved or potential suppliers.

[Find out more about tendering for public sector contracts on GOV.UK.](#)

Paying our suppliers

We aim to pay invoices promptly and expect our suppliers to pay their subcontractors within 30 days.

Suppliers need to quote the Acas purchase order number on their invoices.
